

## Pathology Update 2020

# Medical and Science Student Grant Application Form

### (Not applicable for post graduate PHD students)

Pathology Update 2020 is offering the following grants to full time medical and science students from within Australasia:

- **25 complimentary full registrations**
- **25 reduced rate registrations** of \$220.00 AUD

Grant includes:

- Welcome Breakfast for all accepted Medical and Science Students on Friday 20 March 2020 from 9.00-10.00am at the International Convention Centre Sydney (ICCS)
- Full three day Scientific and social program conference registration (includes catering)

**Grant does not include travel and accommodation.**

**Applications close: Thursday 31 October 2019**

**Contact:** Rachel Johnson e. rachelj@rcpa.edu.au | t. 02 8356 5852

### To Apply:

Complete this application form and email to Rachel Johnson. Note: Paragraphs written in the body of the email and not as an attached document will not be accepted. Students who have previously been awarded complimentary registration at Pathology Update in 2018 or 2019 are not eligible to apply again. Once awarded, all grant winners will then need to complete the Pathology Update 2020 Medical and Science Student Registration Form. If a scholarship winner is no longer able to attend Pathology Update they must notify the RCPA as soon as possible. **As a condition of acceptance, scholarship winners are required to write a brief report (approximately 200 words) at the conclusion of Pathology Update 2020 about their Pathology Update experience and email it to Rachel Johnson by Monday 30 March 2020.**
