

# **NPAAC SUPERVISION OF MOLECULAR TESTING IN PATHOLOGY SERVICES CERTIFICATION**

## **2021 EXAMINATION TIMETABLE**

- Venues and times of examinations will be confirmed in due course and made available on the RCPA website.
- **Please note:** This information is correct at time of publication. Trainees will be informed of any amendments.

### **NPAAC Examinations**

These will be held in mid/late November.

Candidates will be notified of the specific date/s after confirmation by the relevant Chief Examiner.

**NB** Repeat examinations will be offered at Chief Examiner discretion and in exceptional circumstances only.

**Supervisor Reports:** Candidates are to submit a satisfactory and signed Supervisor Report at the end of the training period, along with a completed and signed portfolio summary sheet. This If the training period exceeds twelve months, an additional annual Supervisor report will be required.
