

**Royal College of Pathologists of Australasia
TRAINING TIME CREDITS at 11 November 2019**

The following tables are to be used as a general guide and may be varied at the discretion of the Board of Education and Assessment depending on individual circumstances.

QUALIFICATIONS	Anatomical	Chemical	Forensic	General	Genetic Path	Haematology	Immunopath	Microbiology	Oral & Maxill Path
American Boards	Relevant years of training accredited	Up to 3 years accredited retrospectively	Relevant years of training accredited	Up to 5 years retrospectively depending on post qualification experience	Appropriately supervised training will be approved retrospectively	Relevant years of training accredited	Relevant years of training accredited	Relevant years of training accredited	Relevant years of training accredited
American Osteopathic Association	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
BMed Sci (If relevant)	6 months may be accredited depending on relevance at the discretion of the Chief Examiner	6 months may be accredited depending on relevance at the discretion of the Chief Examiner	6 months may be accredited depending on relevance at the discretion of the Chief Examiner	6 months may be accredited depending on relevance at the discretion of the Chief Examiner	6 months may be accredited depending on relevance at the discretion of the Chief Examiner	6 months may be accredited depending on relevance at the discretion of the Chief Examiner	6 months may be accredited depending on relevance at the discretion of the Chief Examiner	6 months may be accredited depending on relevance at the discretion of the Chief Examiner	6 months may be accredited depending on relevance at the discretion of the Chief Examiner
BSc (Hons) (If relevant)	6 months may be accredited depending on relevance at the discretion of the Chief Examiner	6 months may be accredited depending on relevance at the discretion of the Chief Examiner	6 months may be accredited depending on relevance at the discretion of the Chief Examiner	6 months may be accredited depending on relevance at the discretion of the Chief Examiner	6 months may be accredited depending on relevance at the discretion of the Chief Examiner	6 months may be accredited depending on relevance at the discretion of the Chief Examiner	6 months may be accredited depending on relevance at the discretion of the Chief Examiner	6 months may be accredited depending on relevance at the discretion of the Chief Examiner	6 months may be accredited depending on relevance at the discretion of the Chief Examiner
Canadian Boards (Med Genetics)	N/A	N/A	N/A	N/A	Appropriately supervised training will be approved retrospectively	N/A	N/A	N/A	N/A
DCP (London)	N/A	Nil	Nil	Up to 2 years	Nil	Nil	Nil	Refer to Chief Examiner	Nil
Dip. Trop Med.	N/A	N/A	Nil	Nil	Nil	N/A	N/A	Refer to Chief Examiner	N/A

**Royal College of Pathologists of Australasia
TRAINING TIME CREDITS at 11 November 2019**

**The following tables are to be used as a general guide and may be varied at the discretion
of the Board of Education and Assessment depending on individual circumstances.**

QUALIFICATIONS	Anatomical	Chemical	Forensic	General	Genetic Path	Haematology	Immunopath	Microbiology	Oral & Maxill Path
Doctor of Osteopathy (USA)	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
Doctor of Osteopathy Medicine (DO USA)	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
FACD	No set time. Usually 1 year depending on experience	Nil	Nil	Up to 1 year of training if has lab experience	Nil	Nil	Nil	Nil	Up to 1 year depending on experience
FACO	No set time. Usually 1 year depending on experience	Nil	Up to 6 months	Up to 1 year of training if has lab experience	Nil	Nil	Nil	Nil	Nil
FASM	N/A	N/A	Nil	Up to 6 months in Microbiology Practical if appropriate	N/A	N/A	N/A	Refer to Chief Examiner	N/A
FCForPath (SA)		?	Relevant years (required to have 1.5yrs of AP)	Nil	N/A	N/A	N/A	N/A	N/A
FCPath, FFPath (SA)	Relevant years of training accredited	3-4 years	Up to 2.5yrs	Relevant years of training accredited if started before 1996	Appropriately supervised training will be approved retrospectively	Relevant years of training accredited	Relevant years of training accredited	Relevant years of training accredited	Relevant years of training accredited
FHKCPath	5 years		Up to 2.5yrs	Need more info	Appropriately supervised training will be approved retrospectively	Need more info		Individual assessment. Refer to Chief Examiner	Relevant years of training accredited
FRACDS		Nil	Nil	Nil	Nil			N/A	Up to 1 year depending on experience

**Royal College of Pathologists of Australasia
TRAINING TIME CREDITS at 11 November 2019**

**The following tables are to be used as a general guide and may be varied at the discretion
of the Board of Education and Assessment depending on individual circumstances.**

QUALIFICATIONS	Anatomical	Chemical	Forensic	General	Genetic Path	Haematology	Immunopath	Microbiology	Oral & Maxill Path
FRACP	No set time. Usually 1 year depending on experience	1 year of advanced training retrospectively. Prospectively up to 2 years if significant component of work in laboratory	Up to 6 months	Up to 1 year of training if has lab experience	1 year for Part I Up to 2 years in total for additional years in clinical genetics	If considerable laboratory time some retrospective time may be accredited	Up to 1 year	1 year for Fellowship in Infectious Diseases. Further 6 mths if laboratory component in RCPA accredited lab	Up to 1 year depending on experience
FRACS (Parts I & II)	No set time. Usually 1 year depending on experience	Up to 1 year if significant component of relevant laboratory work	Up to 6 months	Up to 1 year of training if has lab experience	Up to 1 year of training if has lab experience	Nil	Nil	Nil	Up to 1 year depending on experience
FRCP			Up to 6 months	Nil	1 year for Clinical Genetics			1 year for Fellowship in Infectious Diseases	Up to 1 year depending on experience
FRCPSC Canada			Up to 6 months	5 years	1 year if a relevant medical discipline			1 year for Infectious Diseases	Up to 1 year depending on experience
FRCS, MRCS			Up to 6 months	Nil	Nil			Nil	Up to 1 year depending on experience
MAACB, FAACB	N/A	Up to 6 months	Nil	Up to 6 months in Chemical Pathology	N/A	N/A	N/A	N/A	N/A
MAppSci (If relevant)				Nil	6 months if directly relevant	Up to 6 months retrospectively if thesis/degree research		Nil	Up to 1 year depending on experience

**Royal College of Pathologists of Australasia
TRAINING TIME CREDITS at 11 November 2019**

**The following tables are to be used as a general guide and may be varied at the discretion
of the Board of Education and Assessment depending on individual circumstances.**

QUALIFICATIONS	Anatomical	Chemical	Forensic	General	Genetic Path	Haematology	Immunopath	Microbiology	Oral & Maxill Path
MD (India or Sri Lanka)	Relevant years of training accredited	N/A	Up to 2 yrs (required to have 1.5yrs of AP)	Not reviewed	Up to 1 year if relevant	Up to 2 years as relevant	Nil	Up to 2 years as relevant	Up to 1 year depending on experience
MD Research (If relevant and from recognised university)		Up to 1 year dependent on area of research	Up to 6 months if relevant	Up to 1 year dependent on area of research	1 year retro; up to 2 years prospectively	1-2 years retrospectively		1-2 years conditional	Up to 1 year dependent on area of research
Master of Dental Science/DClinDent in Oral Pathology	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	Up to 3 years depending on experience
Master of Dental Science/DClinDent in Oral Medicine & Oral Pathology	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	Up to 2 years depending on experience
MPath Malaysia	4years	N/A	Up to 2 years (required to have 1.5 AP)	Refer to Chief Examiner	N/A	4 years	Relevant years of training accredited	Relevant years of training accredited	Up to 1 year depending on experience
MPath, MMed Path (SA)	Relevant years of training accredited	3-4 years	N/A	Relevant years of training accredited if started before 1996	Appropriately supervised training will be approved retrospectively	Relevant years of training accredited	Relevant years of training accredited	Relevant years of training accredited	Relevant years of training accredited
MRCP NB This qualification no longer awarded	N/A	Up to 6 months	N/A	Up to 12 months	1 year for clinical genetics	If considerable laboratory time some retrospective time may be accredited	Up to 1 year	1 year for Infectious Diseases	Up to 1 year depending on experience

**Royal College of Pathologists of Australasia
TRAINING TIME CREDITS at 11 November 2019**

**The following tables are to be used as a general guide and may be varied at the discretion
of the Board of Education and Assessment depending on individual circumstances.**

QUALIFICATIONS	Anatomical	Chemical	Forensic	General	Genetic Path	Haematology	Immunopath	Microbiology	Oral & Maxill Path
FRCPath	5 Years	5 Years	Relevant years of training accredited	Up to 1 year in appropriate discipline retrospectively	Appropriately supervised training will be approved retrospectively	Relevant years of training accredited	Relevant years of training accredited	Relevant years of training accredited	Relevant years of training accredited
MSci (Micro/Viral)	N/A	N/A	Nil	Up to 6 months in Micro Practical if appropriate	N/A	N/A	N/A	Relevant years accredited	N/A
PhD, DPhil (If relevant and from recognised university)	Up to 12 months depending on relevance	Up to 2 years prospectively. Retrospectively less readily granted	Up to 6 months if relevant	6 months in appropriate discipline	1 year if retrospective; up to 2 years if prospective	1-2 years retrospectively	1 year retrospectively	1-2 years (conditional)	1 or more years depending on relevance
Philippines Soc Path	Relevant years of training accredited	Nil	Not reviewed	Nil	Nil	Nil	Nil	Nil	Relevant years of training accredited
Certificate Taiwan Society of Pathologists	Relevant years of training accredited	Nil	Not reviewed	Nil	Nil	Nil	Nil	Not reviewed	Relevant years of training accredited
Singaporean Fellowship	3 years training accredited	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
