

Eastern Health – Box Hill

Marija Borosak

- Employ 8000 people
- Care episodes to 800 000 patients
- 25 locations
- 3 major hospitals
- 2800 sq. km east – largest geographical catchment area of any metro health service in Victoria

The screenshot displays the Eastern Health website interface. At the top, there is a blue header with the 'easternhealth' logo, a language selection dropdown, a 'Staff' link, a phone number '1300 342 255', a 'Feedback' icon, and a search bar. Below the header is a dark navigation bar with links for 'About us', 'Services', 'Locations', 'Research & Ethics', 'Health Professionals', 'Media', 'Careers', and 'Contact us'. The main content area features a large image of a woman in a red patterned top. Overlaid on this image is a 'OUR SERVICES' section with a 'READ MORE' button and three colored boxes: 'Patients & Visitors' (red), 'Health Professionals' (orange), and 'Our Services' (purple). Below this is another dark navigation bar with the same menu items. The 'Locations' page is active, showing a large image of a hospital interior and a 'LOCATIONS' title. The breadcrumb trail reads 'You are here: Home / Locations / Box Hill Hospital'. A sidebar on the left lists navigation options: 'Patients and Visitors', 'Angliss Hospital', 'Box Hill Hospital' (highlighted), 'Opening & Visiting Hours', 'Parking & Public Transport', 'Facilities', and 'Virtual Tour'. The main content area for 'Box Hill Hospital' includes a title, a paragraph about its history (established in 1956, largest acute hospital), a list of services (emergency care, general and specialist medicine, etc.), a paragraph about its affiliation with Monash, La Trobe, and Deakin Universities, and an 'Emergency' section. A right-hand sidebar contains links for 'Street level map', 'Information sheet', 'Building A: Level by Level floor plans', and 'Virtual tour - Step inside Box Hill Hospital'.
