

SPR*/ICCR ⁱ	Data element	Response			
	Fresh tissue received	No	Yes	<i>If yes, describe any additional tests/ frozen sections/biobanking performed</i>	
	Procedure	Text		<i>As stated by the clinician</i>	
S2.01	Bladder measurements	__x__x__mm			
S2.01	Length of each ureter	Right __mm	Left __mm		
S2.01	Length of urethra	__mm			
S2.01	Measurements of each other organ	<i>E.g. prostate, uterus __x__mm</i>			
	Tumour	Absent	Present	<i>Neoadjuvant specimens may appear normal.</i>	
S2.02	Tumour multifocality	Absent	Present	<i>If present, record the number of tumours.</i>	
	Number of tumours	Number			
	<i>For each tumour: (if >1 designate accordingly)</i>				
S2.03	Tumour site(s) in bladder	Trigone	Left lateral wall	Posterior wall	Other, <i>specify</i>
		Right lateral wall	Anterior wall	Dome	
S20.4	Largest dimension (largest tumour)	__mm			
S20.4	Other dimension (largest tumour)	__mm			
G2.01	Gross appearance of tumour(s)	<i>Choose all that apply & record for each tumour identified.</i>		Polypoid Fungating	Papillary Ulcerated Solid & indurated
S2.05	Macroscopic evidence of tumour invasion in the bladder	Absent	Present	<i>If present, describe tissues invaded (choose all that apply)</i>	
		Bladder wall		Perivesical tissue	Ureter(s), <i>specify</i>
				Urethra	
S2.06	Macroscopic evidence of involvement of adjacent organs	Absent	Present	<i>If present, record organs involved by tumour (choose all that apply)</i>	
		Prostate	Rectum	Ovaries	Vagina
		Seminal vesicles	Uterus/cervix	Fallopian tube(s), <i>specify</i>	Other, <i>specify</i>
	Distance of tumour to closest surgical margin	__mm	<i>Specify margin.</i>		
S2.07	Macroscopic evidence of margin involvement	Absent	Present	<i>If present, record margins involved (choose all that apply)</i>	
		Perivesical fat		Peritoneal surface	Ureteric
				Urethral	
	Peritoneal surface involvement description (if applicable)	Maximum dimension __mm		Location, <i>specify</i>	
G2.02	Appearance of uninvolved bladder	Normal	Ulcerated	Erythematous	Other <i>If other, specify</i>
S2.08	Lymph nodes	Not submitted	Submitted	<i>If submitted, for each site, record the number of nodes. Record number per cassette.</i>	
G2.03	Other relevant macroscopic information	Text		<i>E.g. any additional orientation; specimen integrity (if disrupted)</i>	
	Describe nature and site of blocks	Text
