Pathology Update Speaker Disclaimer:

The speaker and contributors of this presentation have indicated and confirmed that they have no financial relationship with any close commercial interests to disclose.

Note: If a speaker has a conflict it is to be declared at the beginning of their presentation.

Notes:

Program committees will be provided with a budget for speakers' costs. Committees must work within these budgets, although they can be supplemented by other funds (e.g. specific sponsorship obtained by the committee). If additional College funds are required, or for items that fall outside this policy, the relevant Program Chair must seek approval from the Chair of the Update Overseeing Committee and the CEO/Deputy CEO. Members are not entitled to a concession for their role in a program committee or as a session chair.

Airfares are to be booked through the College's travel agent and accommodation to be booked through the College at the recommended hotel.
