Approval Date: February 2017
Review Date: February 2021
Review By: Board of Education and Assessment
Number: 4/2017

The Barbara Williams Cytopathology Memorial Prize is for the RCPA candidate who gains the highest aggregate mark in the Cytopathology Examination. This Prize was set up in memory of Ms Barbara Williams a previous Administrator of the College who assisted Pathologists in the establishment of Cytopathology as a distinct area of pathology.

Value and Payment

The value of the prize will be \$2,000.

The Barbara Williams Cytopathology Memorial Prize is funded from a fund established by Dr Julienne Grace and family. The Prize will be awarded with the presentation of a certificate at the annual Admission of New Fellows ceremony.

At the discretion of the Board of Education and Assessment, in consultation with the Chief Examiner in Anatomical Pathology, the prize may be withheld in any one-year if the marks are inappropriately low.
