OP-1: outpatient registrar 1: Some outpatients/Day Onc/Apheresis/Inpatient Referrals

OP-2: outpatient 2: Outpatients/Referrals

IPR: inpatient registrar: Wards

NB if 4th registrar, this will change to have 2 registrars on ward service, likely divided b/w acute leukaemia/BMT vs other, with follow up of these patients where possible in Day Oncology for continuity of care

On Call: Weeknights – IPR Thursdays

Weekend – OP-1 & OP-2 alternate weekend
