Review By: Board of Education and Assessment
Number: 4/2001

In order to assist Trainees in their preparation for examinations, the College will provide discipline specific examination material on the College website <https://www.rcpa.edu.au/>. The selection of examination materials will be placed on the website at the discretion of the relevant Chief Examiner.

A notice will be included on the website directing Trainees to the Trainee Handbooks where the current format of examinations can be determined.
