

FACULTY OF SCIENCE APPLICATION FOR TRAINING DETERMINATION

Before completing this form, please refer to the relevant discipline-specific Faculty of Science Trainee Handbook, for the detailed explanation of the curriculum and assessment requirements. All Trainee Handbooks are available from <https://www.rcpa.edu.au/Trainees/Curriculum> – Faculty of Science.

The RCPA Faculty of Science Fellowship by examination training program requires that a candidate, at the end of training, be competent in three areas of professional activity. These include: (i) Research, (ii) Clinical Laboratory and (iii) Innovation, Development and Leadership. When applying for recognition of prior learning, and if you wish to receive exemptions in training time and/or examinations, use the table(s) below to detail how you may have partially or completely met the Faculty of Science Standards. These can be found in Section II of the relevant Trainee Handbook.

Applications for retrospective accreditation will be reviewed on a case-by-case basis by the Principal Examiner.

Please print all entries.
